

# Partners On-Line

## WESTERN AREA:

"Small Business is **BIG** Business"

July 2008

Welcome to the Western Area Partners On-Line (Partners), an on-line source of small business concerns located in California, Washington, Hawaii, Oregon, Colorado, Idaho, Montana, Utah, Arizona, Nevada, New Mexico, Wyoming, and Alaska that accept the Citibank MasterCard. We've broken the Partners On-Line listing into four areas of the United States: Northeast, Southeast, Midstates, and Western as we've found that most cardholders want to buy from local firms. The list has also grown substantially with now over 500 small business sources nationwide that can meet your micro purchase needs (less than \$3,000). This source also spotlights both Information Technology (IT) and Non-IT small businesses offering their products and services to the IRS via the purchase card.

**The newly added small business sources are highlighted in red text.** Each company's socioeconomic status is also identified, i.e., small business (Small), HUBZone small (HUB), small disadvantaged business (SDB) or 8(a) business enterprise (8-a), woman-owned small business (WOSB), veteran-owned small business (VOSB), and/or service disabled veteran-owned small business (SDVOSB). Even though the companies in each listing are segregated according to geographical regions, most of these companies provide products/services on a nationwide scope. Thank you for considering small businesses.
